## SCHOOL FUNDING

---

Believe it or Not...

Tallmadge City School District  
McCombs Education Center  
486 East Avenue  
Tallmadge, Ohio 44278  
(330) 633-3291

[www.tallmadgeschools.org](http://www.tallmadgeschools.org)

# Types of Tax Levies

- **Operating Levy**
- **Permanent Improvement Levy**
- **Bond Levy**

## **Two Sources of Revenue**

- **Local Property Taxes**
- **State Funding**

## Local Property Taxes

- Valuation (Property Values)
- Reappraisal (Update of Property Values)
- Voted vs. Effective Millage (HB 920)
- Elimination of Personal Tangible Tax

## State Funding

- Funding Per Pupil
- State Share – Current Use
- Charter schools, open enrollment, and other below the line adjustments

# Property Taxes

## WHAT IS A MILL

A mill = \$ .001

\$1 for every \$1,000 of Taxable Value of property

Taxable Value = 35% of Market Value

\$100,000 Market Value = \$35,000 Taxable Value

Tallmadge City Schools Taxable Valuation is roughly

**\$432,933,150**

A mill for Tallmadge Schools generates roughly

**\$432,933**

# County Property Valuation Reappraisal Cycle

Every 3 years the County Fiscal Office does a revaluation (update) of the property values in the county.

Summit County next reappraisal is 2020.

## HB 920

This law which was passed in 1976 freezes the amount of taxes a levy collects on district property to the amount it collected at the time it was passed on that same property. So, when the *value of property in the district increases every 3 years, due to reappraisal, the effective tax rate is reduced to collect the same amount of tax.*

On the state funding side, because the the districts property valuation is one of the major components in the state's funding formula a *district will lose state revenue as its valuation increases.*

FUND TYPE	DATE LEVY PASSED	YEARS	<u>Voted</u> Millage Rate When Passed	<u>Effective</u> Millage Rate 2018

# PERSONAL TANGIBLE TAX – PHASE OUT

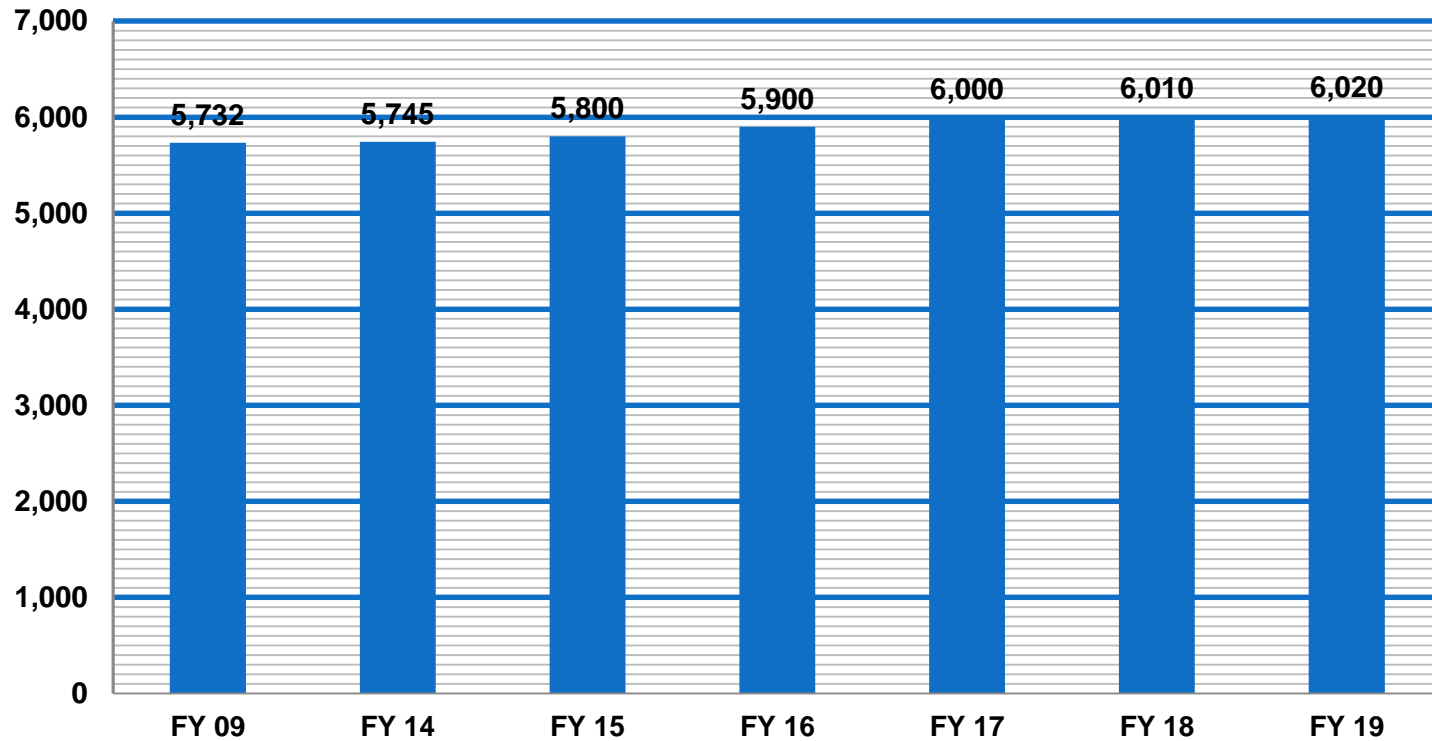

**In 2006 the State began the process of eliminating the Personal Tangible Tax for businesses, which was a tax on inventory & equipment. This revenue amounted to \$2,500,000 for Tallmadge City Schools.**

**The state had agreed to reimburse districts for all dollars lost thru FY-11, however after FY-11 the reimbursement was phased down and reduced to \$0 by FY-19.**

**The state implemented the CAT (Commercial Activity Tax) on businesses to replace the revenue stream that was lost by the elimination of the personal property tax, except that the CAT tax goes directly into the state general fund as opposed to going directly to school districts. Did someone say lottery...**

## State Funding Per Pupil

This increase of \$268 from FY09 to FY19 represents a 4.7% increase over 10 years or less than ½ % per year...

## SCHOOL FINANCE REVIEW

Voted millage is reduced as property values increase due to reappraisal to generate the same tax as when the levy was initially passed... HB 920

The district lost \$2.5 million of revenue thru the elimination of personal tangible tax which was not made up by the State...

The state's funding per pupil amount has averaged less than 1/2% increase over the last 10 years...does that sound like they made up for the loss of personal tangible...

A districts state share index is affected when the property values get adjusted resulting in a lesser state share % and the loss of state funding...phantom revenue

A district doesn't really receive the state funding per pupil because of the offset of the state share %... \$6,020 vs \$2,546

However, all \$6,020 of the state funding goes out the door to other districts and charter schools, which results in local taxes leaving the district...
